S I R,

I have the honor to state that the residents of Muttugadur and other villagers represented that a weekly santhe should be established at Muttugadur for their convenience. The question was considered by the Taluk Board of Holalkere and it was decided that a santhe be held there on Wednesdays.

It is reported that a santhe is at present assembling at Bharmannayakanadurga, a village 4 miles distant from Muttugadur and that it being a big santhe it is very necessary to see that it should not lose its importance by the establishment of a new sante at Muthagadur. The Taluk Board is of opinion that as the people of Muttugadur and other villages have to cross hallas they are experiencing inconvenience to go to the Santhe at Bharmannayakanadurga during rainy season and that therefore a santhe at Muttugadur is a necessity. Considering all these circumstances, the Taluk Board proposes to hold a santhe at Muttugadur as a temporary measure for one year to see to what extent, if any, the santhe at Bharmannayakanadurga will be affected.

The subject was placed before the last meeting of the District Board which has resolved that a santhe be held at the place. (vide copy of the enclosed resolution).

I request that Government sanction may be accorded to the holding of a santhe at Muttugadur for one year as an experimental measure.

I have the honor to be,

S I R,

Your most obedient servant,

C. S. Balasundaram Iyer

Deputy Commissioner,

S I R,

I have the honor to state that the villagers of Kondajji in the Harihar Sub Taluk represented that they were put to inconvenience as no santhe was held within a radius of 6 miles from their village, and prayed that a weekly market should be established at Kondajji.
